

This impressive three bedroom detached Dutch bungalow is currently undergoing major renovation and remodelling to provides a fabulous standard of accommodation. On the ground floor there is a reception hall with a cloakroom/wc, a spacious open plan living area and kitchen, a versatile room that would make an ideal additional living area, garden room or even a fourth bedroom. There is a superb double bedroom with an en-suite shower room, completing the ground floor accommodation. On the first floor there are two further well-proportioned bedrooms and a bathroom/wc. Externally there is a driveway to the front, garage (currently being re-built) and a garden to the rear. The property is ideally placed on Crosslea Avenue, just off Strawberry Bank, convenient for local amenities, shops and schools as well as offering excellent links to surrounding areas and major road connections. We highly advise an early detailed inspection to fully appreciate the property and at this early stage there would be the opportunity for the buyer to select some finishing touches to their taste and requirements.
